

Online Giving...the Easiest Way to Help Others in Your Community

Donating to United Way is one of the easiest and most effective ways to improve the lives of your neighbors in need.

Now you can make your gift to United Way with a few simple clicks on your computer using the online giving system.

Integrated Online Giving Services Save Time and Money

United Way harnesses the power of technology to combine online giving, pledge processing, fund distribution and online reporting to provide a seamless solution to your workplace giving campaign.

United Way helps your business and your employees stay connected to the community.

Online giving products are easy to implement and feature the following:

- » Customized donor presentation and communications
- » Six easy steps to giving, accessible from any browser
- » Secure user access
- » Highly secure environment

Security

Our online giving system operates in a highly secure environment. It has been tested and audited to ensure security, protection of sensitive data and privacy for companies and individual users.

Online giving services:

- » Use industry standard SSL encryption technology
- » Provide electronic and physical protection of all servers 24/7
- » Are bonded and insured

Online giving enables individual campaign administrators to view only the information appropriate for them to monitor and track the campaign process. In addition, our business processes ensure agency screening and research.
