Annual Wine and Food Gala Raises Money for Local Community

People have come together for the United Way of Seneca County’s “Taste of Spring” event- expecting to see friends and sampling delicious foods and wines from Seneca County vendors, for more than 20 years. While the event is a wonderful evening out, it is in reality the critical “kick-off” in the annual community campaign to raise resources to address the needs such as income, education and health in Seneca County.

Over the 20 years, Taste of Spring has raised almost \$190,000. Last year, because of community support, thousands of friends and neighbors received help. Tens of thousands of meals were provided by food pantries across Seneca County and young people were cared for by trained, compassionate care givers.

At the event, along with delicious food and wine sampling, there will also be door prizes and a silent auction featuring a “courtly check medium serving bowl” from Mackenzie-Childs.

Everyone is invited to attend the event on Thursday, April 30th, at the Seneca Falls/Waterloo Holiday Inn and help continue this fine tradition. The event starts at 5:30 pm and ends at 8:00 pm. Tickets are now on sale for \$25 per ticket only through April 28th. To purchase tickets, call the United Way of Seneca County office at 315-539-1135 or purchase online at www.uwseneca.org click on the “special events” button. Tickets are also available at the door for \$30 per ticket.
