

Hand Print Sun Craft

Here's What You'll Need for this Sun Handprint Craft

- Yellow Cardstock – 2 large pieces (12x12in.) should be enough
- Red Cardstock
- Paper Plate
- Yellow Paint
- Glue

Instructions:

- Paint the paper plate yellow and let dry
- On yellow paper trace your child's handprints, and cut them out
- *The number of handprints you'll need will vary depending on your child's hand size. You will probably need at least 7 handprints
- *You can just trace one handprint with your child and then use that handprint as a template to draw the rest
- Cut the handprints out
- Turn the plate around to the back, and glue the handprints all around the outer edge
- Cut a sunglass shape and smile out of the red cardstock
- Glue the sunglasses and smile onto the front of the paper plate
